Elite Xpress Cleaning LLC

Integrated Pest Management & Termite Control

The harsh desert environment of UAE is ideal for numerous unwanted home invaders like desert scorpion, diverse ant species, pack rats and many other unwanted desert invaders. Elite Xpress can provide a system for pest management to repel unwanted past situations. Our objective is to provide your family with a pest-free environment, and to that end, we have developed a strong approach to maximize monitoring and minimum material use in your living space to remove pests outside before they become a problem.

Elite Xpress Cleaning LLC

General Cleaning and Janitorial Services

The vendors you hire can make every difference in the world when it comes to running your business. If it's time to take the experts who think a job will not be done until it is right to replace your janitorial services company because of its complacency or its lack of continued operation. At EliteXpress, we provide you with the expertise, expertise and ownership you can rely on, day and night. We can alleviate this high responsibility for you and your team if you create your own janitorial services. Over the years, we have been committed to providing customers only with the highest cleaning standards.

Elite Xpress Cleaning LLC

Villas, Apartments & Commercial Deep Cleaning

Our company provides Deep Cleaning services with the advanced technique and professional staff to suit the needs of the working environment for apartments, homes, offices, flats, shops, hospitals, villas, banks, MNC firms and other industries.

Mostly cleaning is periodic, all In-house staff to clean your floors, bedrooms, and toilets are difficult to maintain. This is not equally possible for many, but a reality.

Deep cleaning cleaning services don't have to work because it's a job itself! EliteXpress, one-stop deep cleaning service provider, concentrates on all your cleaning needs. You follow control lists to ensure proper completion of cleaning tasks. It helps our team to keep track of their efforts and nothing is forgotten. Housekeeping is no longer considered just as a back-of-the-house job anymore. EliteXpress deep cleaning service is the sound partner for offices and homes in UAE.

Elite Xpress Cleaning LLC

Elite Xpress Cleaning LLC

Disinfection & Sanitization Services

Only having the right equipment, would not be magical to have qualified and trained workers. The Cleaning & Sanitizing procedures are important.

Elite Xpress Cleaning has long term experience in this field and has nurtured a large number of employees who are committed to deliver the highest quality and effective services.

The disinfectants we use kills 99.999% of bacteria and viruses, including H1N1; MRSA; Norovirus; HIV; Legionella; Pseudomonas aeruginosa; Hepatitis A, B, and C; Ebola virus; coronavirus and wide range of others.

All Disinfectants are EPA and DM Approved and 100% Safe for Children, Food, All surfaces and Eco-Friendly. Process of sanitization is done using Electrostatic Spraying Machine and the results are long lasting.
